Escalier sur mesure

Structure de support pour plancher scénique

Structure métallique architecturale

A large, white, sectional garage door is partially open in a warehouse setting. To the left, there are stacks of wooden pallets. To the right, a green workbench with various tools is visible. The door has a complex metal track system and a motor unit at the top.

**Porte sectionnelle
automatisée**

A double-leaf industrial door with a silver metallic finish. Each leaf has a circular porthole and a horizontal handle. The door is set in a frame with visible hinges and locking mechanisms.

**Porte technique
industrielle double
battant**

A large, solid green metal gate is closed, spanning the width of a driveway. It is mounted on a concrete base with visible rollers and a motor unit on the right side. The background shows a residential building and trees.

**Portail métallique
automatisé**

A black metal sliding gate is partially open, revealing a paved area with yellow diagonal markings. The gate is made of vertical bars and is set within a concrete track. In the background, there are residential buildings under a blue sky.

**Portail coulissant
motorisé**

**Rideau métallique
7m/4.5**

A photograph of a large industrial building with a closed metal roller shutter door. The building has a light-colored facade and a dark roof. A concrete ramp leads up to the door. The sky is overcast.

**Portail métallique
double battant
sécurisé**

A photograph of a double-leaf metal gate with a security system. The gate is closed and has a chain-link fence on top. The background shows a grassy area and trees.

**Portail métallique
coulissant sur rail
100 m (2 x 50 m)**

A close-up photograph of a sliding metal gate on a rail. The gate is made of metal beams and is positioned on a concrete base. The background shows a chain-link fence and some vegetation.

**Portail sur
mesure motorisé**

A photograph of a motorized gate with stone pillars. The gate is black and has a chain-link fence on top. The pillars are made of stone and have a decorative top. The background shows a blue sky with clouds.
